

“Digital India Week” held at GHRAET, Nagpur

Department of Computer Science and Engineering of G. H. Raison Academy of Engineering & Technology, Nagpur celebrated “Digital India Week” from 13th July to 20th July 2015.

Inauguration of the week was done by arranging Debate competition on the topic “Is digitization the need of India”. Around 20 students participated in the event. Prof. M. J. Katira, HOD, Department of Electrical Engineering, GHRIETW, Nagpur and Prof. Lalita Bisen of GHRAET, Nagpur judged the event. On 14th July 2015, students presented posters on the topic “Digital India –concept and disposal”. Winners of the competition were congratulated by Prof. Prakash Mohod of GHRIETW, Nagpur and Dr. Himani Pandhurnekar, F.Y.HOD. As part of Digital India Week Prof. Amit Pimpalkar delivered lecture on “Digital Locker and E-Scholarship”, Dr. Mrinalini Naik conveyed a seminar on “Internal Online Academic Monitoring System”, and Dr. J.M. Paliwar gave orientation on “Online Job Opportunities”.

Valedictory function for Digital India Week was organized on 20th July 2015. Chief Guest on the occasion was Mr. Tarun Shrivastava (PSA NIC-NTDC, Nagpur). He delivered an expert lecture on “Importance of Digitization and its benefits”. Winners of Debate and Poster competition were also felicitated. Prof. Sonali Bodkhe, HOD CSE coordinated the event under the supervision of Dr. Satish Vaishnav, Principal, GHRAET.
