

ISR Activity by First Year Dept of GHRAET, Nagpur

With the changing time the approach towards studies is also changing. Along with studies institute nowadays are also involved in making students realize their responsibility towards society, specially the weaker sections of the society. Raisoni group understands its responsibility towards society and wishes to inculcate this quality in its students. With this intention First Year dept. of G H Raisoni academy of Engineering and Technology, Nagpur organized visit to Z. P. Primary School, Badegaon on 06/10/15. This school is located at the distance of 45kms from Nagpur. After formal introduction by Head Master Mr. Raju Wankhede, GHRAET students organized light games for the kids. The joy of participation in the games was tremendous. After games stationery distribution started which overwhelmed the primary students followed by prize distribution and tree plantation.

Mr. Raju Wankhede, Head Master; Tanbaji Bhujade, president along with teaching staff Mr. Subhash Tabhane & Ms. Pushpalata Pandhurnekar appreciated the initiative taken by the faculties and students of GHRAET. The event was successfully coordinated by Prof. Lalita Bisen, Prof. Kiran Raut & Prof. Kiran Khandarkar under the guidance of Dr. Satish Vaishnav, Principal and Dr. Himani Pandhurnekar, FYHOD.
