

Seminar by Mr.NandkumarMahajan on Revit Architecture for Civil Engineering at Department of Civil Engineering, GHRAET, Nagpur

Er.N.Z. Baiswareyand Students of 5th Semester Civil Engg.

Department of Civil Engineering, GHRAET Nagpur had organized a Seminar on “Revit Architecture for Civil Engineering” on 21/01/2016 by Mr.NandkumarMahajan(President, Engineering Skill Development Education Society,RTMNU). He gave a brief information regarding various softwares used in Civil Engineering as well as explained the working techniques of Revit Architecture Software. Students from Sixth and Eighth semester actively attended the Seminar.

Mr.NandkumarMahajan discussed the Importance, Working and comparatively told the use of Revit Software relating other softwares used in Civil Engineerings. Prof.L.N.Vairagade, Prof.SonaliGadpalliwar attended the seminar. Prof. V.M.Bhedi, HOD, and Students took efforts to coordinate the Seminar.

Seminar by CAD-Academy on Skill Development (Auto Cad &Stad-Pro) for Civil Engineering at Department of Civil Engineering, GHRAET, Nagpur

Department of Civil Engineering, GHRAET Nagpur had organized a Seminar on “Skill Development (Auto Cad &Stad-Pro)” on 21/07/2016 by CAD-Academy. They gave a brief information regarding various softwares used in Civil Engineering as well as explained the working techniques of Auto Cad &Stad-Pro Software. Students from 3rd,5th& 7th semester actively attended the Seminar.

The Engineer also discussed the Importance, Working and comparatively told the use of Auto Cad &Stad-Pro Software relating other softwares used in Civil Engineering’s. Prof.L.N.Vairagade, Prof.SanketAmle,Prof.ShalakaSharma,Prof.V.M.Bhedi attended the seminar. Dr.R.M.Dhoble, HOD, and Students took efforts to coordinate the Seminar.
