

## Tedtalks by Students of CSE Department at GHRAET, Nagpur

The students of Computer Science & Engineering department delivered Tedtalks on various technical topics on 3<sup>rd</sup> October 2015.

Main TED (technology, entertainment, design) Talks arranges talks of charismatic speakers who expose new ideas that are supported by concrete evidence and are relevant to a broad, international audience. To give platform to the budding technocrats to express their innovative ideas CSE Dept organized similar TED Talks in the dept. The event was organized by Prof. Ankita Kendhe under the guidance of Prof. Sonali Bodkhe (HoD CSE) and Dr. S.R. Vaishnav, Principal.
